| Vs. Feb 2005 | NJMC GPS PROJECT FORM | Project Number: |

All Features

*Maximum PDOP	
HDOP	
Receiver type	
Correction status	
Date of collection	
Time of collection	
Data file name	
Field Technician Name	
Total positions collected	
Filtered positions	
Difficulties/Comments	

Point Features

Everything in All Features plus:	
Standard deviation	
Horizontal Precision	
*Elevation (MSL in feet)	
*Vertical Precision	
Difficulties/Comments	

Line Features

Everything in All Features plus:	
Average horizontal precision	
Worst horizontal precision	
*Average vertical precision	
*Worst vertical precision	
Difficulties/Comments	

Area Features

Everything in All Features plus:	
Average horizontal precision	
Worst horizontal precision	
*Average vertical precision	
*Worst vertical precision	
Area (2D)	
Perimeter (3D)	
Difficulties/Comments	

* Only necessary if elevation data is required by project
